

Finish Line Massage for Walkers

We are delighted to announce that Luv My Oil will be a proud sponsor of WalkWithMe 2025. Donna Thomson, the creator and founder of the Luv My Oil brand, lives in Henley-on-Thames and practices as a beauty therapist with over 20 years of experience. Luv My Oil is a natural, organic, vegan, eco & sustainable and multi award-winning skincare range.

Donna will be offering leg massages (15 minutes for £15)* at the finish line celebration to relieve our marathon walkers' aching muscles using one of Luv My Oil's best-selling products, the Healing Face and Body Oil. Donna says, "Although initially the Healing Oil was created for my teenage son to help clear up his hormonal spots, over the years the feedback confirmed that the oil is excellent at healing lots of other problems too, including insect bites, garden scratches, cat scratches, sore patches and sunburn, so we extended its name to the body too. Now it seems everyone who knows about it stores one in their cupboard for that time of need."

A leg massage after a walk like this can help with muscle stiffness and soreness, inflammation, and improve circulation. It can also help with recovery by reducing the risk of injury and help reduce lactic acid build up, which causes discomfort.

Luv My Oil will be giving away a FREE Mini bottle of Healing Face & Body Oil to everyone who books in for a leg massage, so you can continue treatment at home and use it on other sore bits of your body throughout the summer.

The Healing Face & Body Oil is a super lightweight, non-oily, non-clogging and easily absorbed oil, made with an intensive, superior formula for encouraging the skin to heal. Packed with anti-microbial, antiseptic and anti-inflammatory properties it will help remove harmful bacteria, discourage infection and soothe and promote faster healing. It is rich in antioxidants, as it mops up free radicals offering anti-ageing benefits, and chock full of Vitamin E helping to lock in moisture, leaving the skin super soft and hydrated.

As part of Luv My Oil's sponsorship, Donna is also donating a Healing Skincare Gift Box as a raffle prize, and giving everyone a 10% discount code for online purchases.
